

Y-Not Natural Aromatherapy Skin Care Products

Formulated with BFA Certified Bio Dynamic Organic Avocado Oil

Rich care for delicate skin - 100% naturally fragranced with pure essential oils

Y-Not Natural provides you with perfect skin care products for sensitive allergic skin that easily reacts to fragrances and harsh preservatives used in many other products. Y-Not Natural uses effective top quality ingredients found only in natural blends so that we can offer you a range of quality skin and body care products that will leave your body smooth and healthy. Y-Not Natural products are ethical, eco-friendly, beautifully scented and contain pure essential oils needed by you and your body. You can be assured that your body and skin will benefit from these products if you suffer from eczema, psoriasis and other common skin conditions that easily react to the ingredients in many commercial products.

The Y-Not Natural Guarantee to you is a full refund in full if you have adverse reactions to our gentle skin and body care range. A Guarantee which most skin and body care companies can not provide!

Y-Not Natural Skin and Body care products will provide you with rich, intensive care for skin areas that are otherwise deficient in both moisture and oil. Premium avocado and almond oils, plus Vital ET will work with your body to restore healthy elasticity and skin softness like a baby.

Y-Not Natural Products are individually formulated from the best and most effective quality ingredients of natural blends to meet the needs of **ALL** skin types, ages and skin colour.

Y-Not Natural skin care products are free from Parabens, Synthetic preservatives; GMO, SLS and Petroleum based oils and have not been involved in any harmful tests on animals.

Y-Not Natural products have proven themselves time and time again to be suited to:

- Allergy sufferers;
- People with sensitive skin;
- People suffering from Paraben;
- People suffering the effects of Acne; and
- Young skin.

“We combine the best of nature with the best of science” AUSTRALIAN MADE®

Certified Organic Avocado Oil

We ensure that within our products we only use Australian Certified Organic Avocado Oil (*Persea gratissima*). These avocados are grown under bio-dynamic methods without the use of artificial fertilisers or chemicals. The extra virgin oil is cold pressed, filtered and bottled under N₂ gas without the use of heat, solvents or additives. The dark green colour is removed (Chlorophyll) through a special filtering process to prevent the development of bitter flavours in cooking or frying at high temperatures.

Avocado oil, extracted from the fruit, sometimes has a cloudy appearance due to the crystallisation of the low melting point of triglyceride. This should be regarded as a good sign and not a fault as it indicates unrefined oil. (Refined avocado oil is always pale yellow and lacks the rich green colour of cold pressed oil).

Avocado oil has excellent keeping qualities because of an inbuilt antioxidant system. Avocado contains a high percentage of monounsaturated fatty acids, vitamins A, B, and D and is rich in lecithin. All of which are essential for optimal skin health.

For use in skin applications, it displays an extreme ability to penetrate the upper layers of the skin. Avocado oil is valuable for its effects on dry and wrinkled skin, burns and sunburns.

Y-Not Natural Body Milk with Vital ET (200ml)

Y-Not Natural Body Milk with Vital ET has been designed to give you that perfect firm skin you have always dreamed of. Y-Not Natural Body Milk is perfect for highly sensitive skin. Packed full of Vital ET it is nutrient rich and provides the moisturising ingredients that your body needs. It is rich yet easily absorbed even on the most parched body parts, your skin won't feel sticky, just super shiny and smooth as you would expect from a quality product such as this.

To help lock in moisture, slather on straight from the bath or shower while your skin is still damp. It is ideal for helping your skin to relax after a stressful day and excellent as an after sun soothers. It is truly a full body invigoration.

Directions: Apply to a clean body as soon as possible after intense sun exposure or other acute stress related environments. Apply in long even strokes to provide maximum absorption. Clothing may be worn immediately after application.

Full Ingredient listing: Purified Water, Prunus Dulcis (Almond Oil), Persea Gratissima (Avocado Oil), Glycerin, Disodium Lauriminodipropionate Tocopheryl Phosphates (Vital ET), PEG-20 Methyl Glucose Sesquistearate, Camellia Sinensis (Green Tea Extract), Butyrospermum Parkii (Shea Butter), Sorbitol, Dimethicone Copolyol, Sodium Polyacrylate, Sodium Hydroxymethylglycinate, Phenoxyethanol and Caprylyl Glycol, Laneth-16 (and) Ceteth-16 (and) Oleth-16 (and) Steareth-16, Silk Amino Acid (aqueous), Triticum Vulgare (Wheatgerm Oil), Ascorbyl Palmitate, Olibanum (Frankincense), Rosmarinus officinalis (Rosemary), Canango odorata (Ylang Ylang), Santalum album (Sandalwood).

Y-Not Natural Hand Cream with Vital ET (200gm)

Made with Vital ET and avocado oil, and effective natural moisturiser, this hand cream is recommended for normal to dry skin. Intensive care for dry rough hands with Vital ET, Avocado oil, Shea butter and Green tea extract. This hand cream penetrates quickly and gives your hands a soft supple feel without leaving them greasy like other skin care products.

Directions: Apply to your hands whenever they feel dry. Tip: Use on your hands before you go into the garden for a little extra protection.

Full Ingredient listing: Purified Water, Persea Gratissima (Avocado Oil), Caprylic/Capric Triglyceride, Glycerin, Disodium Lauriminodipropionate Tocopheryl Phosphates (Vital ET[®]), Butyrospermum Parkii (Shea Butter), PEG-20 Methyl Glucose Sesquistearate, Sodium Polyacrylate, Camellia Sinensis (Green Tea Extract), Phenoxyethanol and Caprylyl Glycol, Sodium Hydroxymethylglycinate, Laneth-16 (and) Ceteth-16 (and) Oleth-16 (and) Steareth-16, Silk Amino Acid (aqueous), Retinyl Palmitate, Ascorbyl Palmitate, Olibanum (Frankincense), Rosmarinus officinalis (Rosemary), Canango odorata (Ylang Ylang), Santalum album (Sandalwood).

Y-Not Natural Shampoo (250ml)

Do you have highly sensitive or easily irritated skin? Then Y-Not Natural Shampoo is for you! This is a unique natural shampoo infused with botanical extracts along with Certified Organic Avocado Oil to help restore your hair to its natural lustre and health, without the drying effect of other shampoos.

This synergistic blend of natural ingredients and the unique formulation process results in an essential natural shampoo without the use of irritating detergents, alcohol, solvents, or SLS/SLES. Delight your senses with the natural Essential Oil's aroma sensation leaving your hair soft, shiny, and manageable just as Mother Nature intended.

Directions: Shake before use. Wet your hair and scalp then simply massage the shampoo into your scalp forming a rich lather before rinsing thoroughly.
