

Ego Pharmaceuticals products

SUNSENSE sunscreens are specially formulated to provide high SPFs to protect against sunburn and help prevent premature ageing and skin cancer due to sun exposure. They are also easy to apply and non-greasy, which means it feels better on your skin.

- 1) [SUNSENSE Ultra SPF 30+](#) is a light, smooth milk suitable for general-purpose use providing SPF 30+ protection even after 2 hours in the water.
- 2) [SUNSENSE Sport Cream SPF 30+](#) and [SUNSENSE Sport Milk SPF 30+](#) offer very high protection for people participating in sport. Provides SPF 30+ protection even after 4 hours in the water.
- 3) [SUNSENSE Cream SPF 30+](#) is a soft and non-greasy cream, which contains active moisturisers to maintain and restore skin hydration. It is easy to apply and is ideal for dry skin types.
- 4) [SUNSENSE Face Milk SPF 30+](#) has been specially formulated for the face and neck, and is particularly suitable for dry skin due to its
- 5) [SUNSENSE Daily Face 30+](#) combines the benefits of a moisturiser with the protection of an SPF 30+ sunscreen to help prevent premature ageing and wrinkling of the skin due to sun exposure. Contains a sheer tint, which is invisible on the skin and gives a matt finish.
- 6) [SUNSENSE Low Irritant SPF 30+](#) is suitable for people with highly sensitive skin. Carefully formulated without synthetic UV absorbing chemicals or perfume for those people hypersensitive to these ingredients. [SUNSENSE Low Irritant Matt Formula SPF 30+](#) contains a sheer tint to give a natural matt finish to the skin making it pleasant to use.
- 7) [SUNSENSE Clear Mist 30+](#) pump action makes it quick and easy to apply, it feels cool and dry on the skin. [SUNSENSE Milk Mist 30+](#) is a light smooth moisturising milk that is easy to apply.

SUNSENSE™ sunscreens
designed for you

QV products have a pH of 6 to maintain your skin's natural protection. The entire QV range is free from lanolin, perfume, colour and propylene glycol making it ideal for even the most sensitive of skin types.

QV offers a complete moisturising routine for every part of your body, sealing in moisture to ensure your skin feels fantastic throughout the day.

- 1) Moisturise frequently with [QV Skin Lotion](#), [QV Cream](#), or [QV Lip Balm](#), their dual moisturising action leaves your skin soft and smooth.
- 2) Moisturise all over with [QV Bath Oil](#) to restore your skin's natural suppleness and healthy glow.
- 3) If you have dry skin and require a more moisturising cleanser than [QV Wash](#) then [QV Intensive](#) provides extreme moisture and is the ideal treatment for people with chronically dry skin.
- 4) Avoid soap. Replace ordinary soap with [QV Wash](#) or [QV Bar](#), gentle non-soap cleansers that leave your skin feeling clean and fresh.
- 5) Relieve the symptoms of atopic eczema (dermatitis) with [QV Flare Up Bath Oil](#).
